## **PLANNING COMMITTEE**

Meeting: Tuesday 29th April, 2014  
at 2.30 p.m. (Drawing Room)

PRESENT:- Councillors M. A. Thomson (Chairman), C. Thomson (Vice-Chairman), Derbyshire, Husband, Johnston, Sweeney and Thurlow.

### **467 – Apologies for Absence/Attendance of Substitute Members**

Apologies for absence were received from Councillors R. McClure, Murphy, Preston and Wilson.

Councillor Sweeney had replaced Councillor Wilson for this meeting only.

### **468 – Minutes**

The Minutes of the meeting held on 11th March, 2014 were taken as read and confirmed.

### **469 – Appeal against the refusal of Planning Consent, 23 Solway Drive, Barrow-in-Furness**

The Planning Manager reported that the Planning Inspectorate had issued its decision on 2nd April, 2014 to dismiss the appeal relating to application no. 2013/0809 to erect of a front porch and toilet at the above property.

The case Inspector considered the main issue to be the effect of the proposal on the living conditions of the neighbouring occupiers of No. 21 Solway Drive, having regard to outlook. He concluded that the development did not safeguard the living conditions of the neighbouring occupiers as required by Policy 17 of the National Planning Policy Framework, and thereby agreeing with the original decision issued by the Council.

RESOLVED:- That the information be noted.

### **Town and Country Planning Acts**

The Assistant Director of Regeneration and Built Environment submitted for information details of planning applications in this report which he had determined under delegated authority (Minute No. 254, Planning Committee, 3rd September, 2002, confirmed by Council 24th September, 2002). The decisions are reported for your information. The plans recommended for approval under the Town and Country Planning Acts will be subject to the standard conditions referred to in Minute No. 208 (April, 1971) of the Plans Sub-Committee, Barrow-in-Furness, County Borough Council, in addition to any conditions indicated hereunder. The Assistant Director of Regeneration and Built Environment reported on the following planning applications:-

#### **537 – Furness Academy, Park Drive, Barrow-in-Furness**

From Mrs H. Robinson in respect of the construction of a synthetic surfaced athletics track and field event facility, with fencing and floodlighting at Furness Academy, Park Drive, Barrow-in-Furness as shown on plan number 2014/0058.

Representations received and the results of consultations were reported.

The Committee had undertaken a site visit prior to the meeting.

It was moved by Councillor M. A. Thomson and duly seconded that the opening hours for the facility should be extended to 7.00 a.m. till 9.30 p.m. Monday to Friday and 8.00 a.m. till 7.00 p.m. Saturdays, Sundays and Bank Holidays, and it was

RESOLVED:- That planning permission be granted subject to the following conditions:-

2. The development shall be carried out in accordance with the application dated 17/01/2014 as amended and the following drawings reference; 13-0854-003 rev 0003 (Track Design), 13-0854-005 (Planning Extents) 13-0854-006 rev 0001 (Elevations in Detail), 13-0854-009 (Track Surfacing), 13-0854-010 (Drainage layout) and the documents 'Athletics Track Lighting Design attached to email from Phil Keeley dated 24/04/14 and comprising drawing numbers E01 and E02 (proposed floodlighting), CC4328 (lighting column), Thorn Champion lighting details, Flood Risk Assessment dated January 2014 by JPP Consulting Engineers', the Design and Access Statement dated 18/12/2013 as amended by the Addendum to same dated 28/03/2014.

Reason

To ensure the development is only carried out as approved.

3. The academy car park shall be made available at all times when the development hereby approved is in use to accommodate car parking generated by the approved development.

Reason

To reduce the pressure for on street parking in the interests of amenity and highway safety.

4. A non-illuminated information sign not exceed an area of 0.3m<sup>2</sup> shall be permanently displayed at the entrance to the former scout huts containing the information referred to in paragraph 2.2 of the Addendum to the Design and Access Statement.

Reason

To reduce pressure for on street parking in the interests of amenity and highway safety.

5. The track shall not be used outside of the following hours: 0700 - 2130 Monday to Friday and 08.00 - 1900 Saturdays, Sundays and Bank Holidays.

Reason

To protect residential amenity from disturbance during unsociable times.

6. The steel containers shall be painted in the following dark green colour BS 4800 12 B 29.

Reason

To minimise the visual impact of the containers.

7. The floodlights shall not be left on when the track is not in use.

Reason

To minimise light pollution and impact on residential amenity.

8. Any other external lighting shall be switched off at the end of the day when people have left the site and shall not be switched on until the following evening.

Reason

To minimise light pollution and impact on residential amenity

9. The new pedestrian access shall be limited to disabled access with the measures described in para 2.2 of the Addendum to the Design and Access Statement put in place on a permanent basis.

Reason

To reduce pressure for on street parking in the interests of amenity and highway safety.

10. The floodlights shall be installed and retained/maintained as per the 'Athletics Track Lighting Design' referred to under Condition 2 above with the luminance levels not exceeding those identified in the report for the track and adjacent areas and with the filaments screened to avoid a line of sight from residential property.

Reason

To minimise light pollution and impact on residential amenity.

11. A beech hedge shall be planted along for the full extent of the Park Drive boundary of the application site except where prevented by the 'scout huts' or accesses in accordance with the specification included under paragraph 4.0 of the Addendum to the Design and Access Statement dated 28/03/2014. The planting shall be carried out within 8

months of the substantial completion or beneficial use of the athletics track, whichever is the sooner. Any plants which die within a period of 5 years following the planting of the hedge shall be replaced during the next planting season. Planting shall be carried out in accordance with BS 4428:1989.

Reason

In the interests of amenity and bio diversity.

12. The fence proposed to the Park Drive boundary shall be of a type and finish to match the fencing erected adjacent to the Academy building and which shall not exceed a height of 2.0m.

Reason

To protect the visual amenities and open character of the area.

**538 – West Shore (opposite West Shore Park), West Shore Road, Barrow-in-Furness**

From Barrow Borough Council in respect of the application under Regulation 3 of the Town and Country Planning General Regulations 1992 – Construction of rock armour coast protection along top of beach incorporating existing temporary sea defences at West Shore (opposite West Shore Park), West Shore Road, Barrow-in-Furness as shown on plan number 2014/0178.

Representations received and the results of consultations were reported.

The Committee had undertaken a site visit prior to the meeting.

RESOLVED:- (A) That a Screening Opinion is issued to the effect that the development is not EIA development taking account of relevant criteria including additional information and revised guidance from Natural England;

(B) That it be noted that any reference to piling has been excluded from the application and that the permission be also conditioned accordingly; and

(C) That planning permission be granted subject to the following conditions:-

2. The development shall be carried out in accordance with the application dated 27/01/2014 and the accompanying 'Site management Plan' dated February 2014, the Preliminary Ecological Appraisal' dated February 2014 and drawing numbers CS068171/000/001 (location plan), and CS068171/000/002 (outline design of proposed defences).

Reason

To ensure the development is only carried out as approved.

3. The development shall not involve piling at any stage during the project.

Reason

Piling has been identified as having a potential adverse impact on Cetaceans but which has not been fully assessed.

The meeting closed at 2.45 p.m.
