

# **Application for Prior Notification of Proposed Development in Respect of Permitted Development by Electronic Communications Code Operators Validation Checklist**

## **What information do I submit with my application?**

# National Requirements<sup>1</sup>

## Forms

- A completed application form.

## Plans

- The National requirements are for 'a plan which identifies the land to which the application relates'. This shall be met by providing a plan based on an up-to-date map at an identified metric scale. For built up areas and within villages the location plan shall be at a scale of 1:1250 (or 1:2500 in the case of larger or more remote sites) and indicate the direction of North. Wherever possible the plan shall be scaled to fit onto A4 or A3 size paper. The location plan will clearly identify the land to which the application relates within a red line and within a blue line for any other land owned by the applicant located adjacent to the application site. Three copies need to be supplied unless the application is submitted electronically.

## Other Information

- The appropriate fee
- Evidence that the developer has given notice of the proposed development in accordance with A.3(1) of Part 24 of Schedule 2 to the General Permitted Development Order 1995
- Where the proposed development consists of the installation of a mast within three kilometres of the perimeter of an aerodrome evidence that the developer has notified the Civil Aviation Authority, the Secretary of State for Defence or the Aerodrome operator in accordance with A.3(2) of Part 24 of Schedule 2 to the General Permitted Development Order 1995
