## The funding will help:

- ➔ Light up the back streets by installing new street lighting.
- ➔ Upgrade the existing front street lights to improve visibility at night.
- ➔ Provide home security surveys free of charge to help identify how you can make your home safer from criminals.
- ➔ Where appropriate, provide accredited home security products and have them fitted by our contractor free of charge (*\*conditions apply*).
- ➔ Pay for training and expenses for local volunteers who would like to help us carry out home security surveys with support from Cumbria Police.

In addition Barrow Borough Council has pledged to carry out a deep clean of the streets to help discourage anti-social behaviour.

(\*agreement of the home owner will be sought, maximum value will apply, the Office of the Police and Crime Commissioner will not hold any responsibility for any upkeep or repairs of the products).

If you are interested in volunteering to be part of this project or would like to request a free of charge home security survey please contact:
