## THRIVING COMMUNITIES: SUPPORTING ST. MARY'S HOSPICE TOGETHER

**Community is at the heart of our council, and nothing shows that better than coming together for a great cause.**

With cancer touching so many lives, we're proud to support the incredible work of St. Mary's Hospice. Leading the way is our Senior Surveyor, Bryan Walker, whose fundraising is as inspiring as it is entertaining - his latest feat saw him don a wig and heels as a Pink Lady from Grease! From Bryan's recent fundraising events Council staff based in Barrow Town Hall have raised over £1,700 for our local hospice.

# HAVE I GOT HOUSING NEWS FOR YOU

## Summer is here, bringing some welcome sunshine as we continue delivering key services for our residents.

This edition is full of updates, news, and stories to help you stay connected with our service and communities - including fundraising events led by Bryan, our Senior Surveyor, in support of St Mary's Hospice, a brilliant local charity supporting so many residents.

On page 3, read how residents are improving their community, plus a touching story of our team helping 'lovely Reuben' find his way home - showcasing the strength of our communities and Housing teams.

On page 4 you can find our Annual Report for 2024/25. We're proud to announce we have invested over £1 million into major improvements across our housing stock - ensuring 100% of our homes meet the Decent Homes Standard. This investment reflects our ongoing commitment to providing, safe, warm and comfortable homes for our residents.

Resident safety is our top priority and 100% of our properties hold valid gas safety certificates, ensuring every home meets strict safety standards. Whether through rigorous safety checks, responsive maintenance, or proactive

investment, we are continuously working to protect our communities - because a thriving community starts with a safe home. On page 8 you can read how one tenant was able to escape safely from her flat after being alerted by a working smoke alarm.

We're committed to helping residents live safely and independently, which is why we've completed 303 home adaptations—from handrails to stairlifts—across our council properties. These improvements support people to stay in their homes longer, close to family, friends, and community. It's part of our person-centred approach, delivering not just housing, but homes for life.

Health and safety remains a top priority. New fire regulations require all internal and communal areas to be kept clear. We'll soon send guidance to help residents support safe, accessible buildings. Your cooperation is key to maintaining secure homes and safer communities for all.

On Page 11 we welcome Scott our newest Street Voice for Carleton Meadows properties in Eden. Our Street Voices play a vital role in helping us stay connected with our residents. Acting as a bridge between residents and 'thriving communities', they help us listen, learn and act on issues that matter the most to you. By gathering feedback,

raising concerns and sharing updates, Street Voices are helping us improve communication and build stronger, more responsive services. We are incredibly grateful for their time, energy and dedication to making sure every voice in our community is heard. If you'd like to become a Street Voice or learn more about this role, please get in touch we'd love to hear from you!

We're proud to announce within the last year the addition of a further six brand new homes to our housing stock, making a total of 81 homes on our Carleton Meadows estate in Penrith - marking a major step forward in our mission to provide high-quality, affordable housing for our communities. These new properties are designed to offer safe, comfortable and energy efficient homes for individuals and families, helping to meet local housing needs and support thriving communities. Read more on page 11.

Finally, whatever the weather, getting outside is great for our mental health and we're lucky to have beautiful parks and green spaces nearby—perfect for a walk, picnic, or simply relaxing with family, friends, or a good book.

Take care and enjoy the summer!

# CELEBRATING GOOD NEIGHBOURS AND TENANTS!

In each edition, we shine a spotlight on residents who go the extra mile to make our estates a better place. This time, we're thrilled to show our appreciation through our Good Neighbour Thank You scheme to Lincoln, Tracy and Mark - whose efforts haven't gone unnoticed.

## Lincoln Johnson

Lincoln has shown that age is no barrier when it comes to making a difference.

Earlier this year, he was awarded the Love Barrow Young Citizens of the Year 2025 for his commitment to agriculture, farming, and the wellbeing of the Ormsgill estate.

His hard work, care for the environment, and dedication to keeping our estate green, safe and tidy is truly inspiring.

A huge thank you to Lincoln for everything he has done!

## Tracy Stewart

Tracy, a resident of Craven Park Court, has taken it upon herself to tidy the large public grass area next to her block - painstakingly edging the grass along the pathways - which is no small task. She said she felt she had to do her bit for the area.

Her efforts have made a real difference, and we're so grateful for the pride she takes in her neighbourhood.

A huge thank you to Tracy for the work she's done - she so deserves this recognition.

## Mark Moss

Mark (not pictured) was nominated by our housing support officer, Lisa Lindley, for his initiative and community spirit. When a skip was delivered to tackle fly-tipped rubbish in the bin store, Mark took it upon himself to fill it - clearing the area and saving our Mobile Caretaking Team from having to divert from other important jobs. His help made a real difference, and we're grateful for his hands-on help and positive attitude.

## GOOD TENANTS REWARDED

Huge well done to the latest winners of our Good Tenant prize draw. On the left Marie & Alan Wallace and Helen McHugh. Thanks for being such great tenants. Enjoy spending your vouchers!

## REUNITED WITH REUBEN: A TAIL OF TEAMWORK AND KINDNESS

When Petra, one of our new tenants, was struggling with illness and stress after moving, she wasn't able to return her keys in person. Housing officers Jacky and Isaac stepped in to help - and ended up doing much more than expected.

When they arrived to collect the keys, Petra tearfully shared that her beloved 12-year-old rescue dog, Reuben, had gone missing. Jacky immediately reached out to our local mobile operative, Sue Vaughan (who works part-time at the Council's kennels) and she alerted Jacky to a Facebook post about a found dog that matched Reuben's description. After a few messages, she connected with the kind woman who had taken Reuben in - just a short distance away!

Thanks to quick thinking, community connections, and a big dose of compassion, Reuben was soon back home, safe and sound, with a very grateful Petra.

*"I've had Reuben for eleven years—he's an amazing dog and fantastic with all my four grandchildren since they were infants," Petra said. "Thank you again to the lovely Housing staff who got him back to me - they have been so kind and very helpful to me over the past week or weeks - and thanks also to the lady from Angle Meadow Lane for letting Reuben have a sleepover!"*

It's a lovely example of teamwork, community spirit, and the little extra things our Housing team does to support tenants.

# STREET VOICES | NEWS AND UPDATES

## TRIBUTE TO ALLAN

**It is with sadness that we share the passing of Allan McIntosh in early December.**

Allan dedicated nearly two decades to tenant representation, which began in 2001 when he was appointed as a Street Voice for Barrow Island. From those early days, his passion for fairness and representing tenants led to him becoming a member of the Cumbria Residents' and Tenants' Forum. He travelled extensively to attend meetings, always putting the needs and voices of tenants first.

As proud Chair of the Tenants' Forum, Allan brought wisdom, integrity, and unwavering dedication. His efforts helped shape housing services for the better, ensuring that tenants had a strong and respected voice at the table.

But beyond his many contributions, Allan will be remembered most for the person he was: a true gentleman—kind and respectful with a genuine concern for others.

Allan made a difference. He will be missed, and he will be remembered - with respect, admiration, and heartfelt thanks.

## HELP SHAPE YOUR COMMUNITY – BECOME A STREET VOICE

**Nobody knows your neighbourhood better than you. That's why we're looking for local residents who can help us understand what matters most to tenants. By sharing your views - and those of your neighbours - you can help shape housing services that truly meet the needs of your community. Together, we can create cleaner, better-maintained areas that people are proud to call home. Stronger communities start with local voices!**

### Build skills and confidence

Getting involved doesn't just benefit your neighbourhood - it can also be a great opportunity for personal growth. Volunteering can boost your confidence, improve your wellbeing, and help you develop valuable new skills and experience. Supporting others can also bring a sense of purpose and keep you mentally active.

## TENANTS' FORUM SUPPORT LOCAL GROUP

### Spreading Easter Cheer

**Mandy Anderson, Chair of the Tenants' Forum, helped spread some Easter joy by delivering Easter eggs for Ormsgill Stronger Together's Chill Hub events.**

The eggs were funded through the Tenant Compact Budget and brought smiles to many local children over the Easter period.

## TOWN HALL RECEPTION AREA SET FOR EXCITING REVAMP

**Visitors to Barrow Town Hall can expect to see some exciting changes in the coming weeks and months, as preparations are under way to transform part of the ground floor, creating a more welcoming and accessible space for all visitors.**

Once completed later this year, the redesigned area will feature two distinct reception spaces: one for Housing's customer service team, and another for council tax, benefits, and all other council enquiries. The updated layout has been planned to improve both functionality and appearance.

**WELCOMING:** Here's a sneak peek at the mock-up of Housing's new reception area. We can't wait to welcome you in person once it's complete

The upgrades will include the installation of modern lighting and comfortable, contemporary furniture.

Accessibility is a top priority, with improved layouts to support visitors of all ages and abilities. In addition, free-to-use self-service computers will be available to help residents access council services and complete online forms with ease.

### New Town Hall Coffee Shop!

While The Forum is temporarily closed, its popular café has found a new home in the Town Hall. The relocated café is now

open on the ground floor, alongside other essential services such as public toilets, Barclays hub, and the Forum box office and information desk. These facilities are easily accessible from the Duke Street main entrance of the Town Hall - just opposite The Forum.

### Opening times

**Town Hall Coffee Shop: 10am-3pm Monday to Saturday**  
**The Forum Box Office/information desk/ Barclays Hub: 9am-4pm Monday to Saturday**

## NOT MOVED OVER TO UNIVERSAL CREDIT YET?

Since March 2023, the DWP (Department for Work and Pensions) has been gradually moving people in receipt of Legacy Benefits to Universal Credit. This process is expected to continue until the end of 2025.

### What to Look Out For

If you've yet to move over to Universal Credit, **look out for a letter called a 'Universal Credit Migration Notice'** from the DWP. This letter is very important. It will inform you that your current benefits are ending and that you need to make a claim for Universal Credit. It will also clearly explain **what you need to do and by when.**

**Do not take any action until you receive your Migration Notice**, as applying too early could result in a loss of benefit entitlement.

Once you have received your letter, you must make a claim for Universal Credit **within three months** of the date shown on the notice to continue receiving financial support.

### Need Help?

If you need assistance making your claim or have questions about the migration process, please contact our benefits officer:

**Amanda Morris: (01229) 876581 or 07843 470831**

For more information about the Universal Credit migration process, visit: <https://ucmove.campaign.gov.uk/>

## NEED A CHANGE? TRY A MUTUAL EXCHANGE

**Is your current home too big, too small, or no longer in the right location for you?**

Whether you want to be closer to family, move for work, or simply find a home that better suits your needs, a mutual exchange could be the answer.

A mutual exchange is when two council or housing association tenants agree to swap homes. It's a great way to find a move more quickly than relying on Cumbria Choice as not all tenants are eligible to use the scheme to transfer between properties. It puts you in control.

You can apply through Cumbria Choice to register your interest in a mutual exchange and view other properties that match your needs. Once you find a match, both tenants need to contact their landlords to seek approval for the exchange and you will be supported to do this from there.

You can swap with any other social housing tenant anywhere in the UK - not just in your current area. All social landlords, including us, must allow mutual exchanges.

# UPDATE FROM OUR SAFE & STRONG COMMUNITIES TEAM

In this edition, we shine a spotlight on two persistent problems –dog fouling and fly-tipping—and show how our team is taking action to keep our shared spaces clean, tidy and pleasant for everyone. We also want to remind tenants of the need to keep communal areas clutter-free.

## DOG FOULING PATROLS

**Dog fouling isn't just unpleasant - it's a health hazard – and we continue our efforts to tackle it in public spaces across the district.**

The good news is, most dog owners are responsible, always cleaning up after their pets. But unfortunately, a small minority still leave mess behind, spoiling shared spaces for everyone.

To raise awareness and encourage good habits, our Enforcement Officer, Peter Buckley, recently joined forces with Councillor Ben Shirley - and Peter's enthusiastic 11-month-old hound, Bruno - on a patrol around Askam.

Together, they met dozens of considerate dog walkers, with dogs on leads and carrying plenty of waste bags. During the patrol they put stickers on bins and posts and reminded owners of their responsibilities. Prior to this local councillors had delivered over 1000 leaflets to local households.

### £100 fixed penalties

This isn't the end of our campaign. Based on information gathered during their patrol, Peter will be returning to Askam for future enforcement patrols and won't hesitate to issue £100 fixed penalties to those who fail to pick up after their dogs.

Our officers continue to monitor this issue across our district, so to help us to help you please be a responsible dog owner and clean up after your pet.

### Bag it. Bin it. Keep our spaces clean

Let's all do our part to keep our parks, paths, and pavements clean -for everyone, and every paw! If your dog does its business, do the decent thing: bag it, and if there's no bin, take it home.

This is what 67 dog waste bags looks like, cleared from just one area on one of our estates thanks to our mobile caretakers.

Imagine how much more pleasant our spaces would be if every owner cleaned up after their own dog.

### Report it

You can report incidents of dog fouling online at [www.westmorlandandfurness.gov.uk](http://www.westmorlandandfurness.gov.uk) – search "dog fouling."

## HEFTY FINES ISSUED FOR FLY-TIPPING

**Our team is committed to tackling this issue and making it clear that such behaviour will not be tolerated.**

As part of ongoing enforcement efforts, an individual was recently fined £250 for dumping rubbish in a bin store (see photo below) on one of our estates, despite the presence of refuse bins on site.

### Report it

**If you have any information about fly-tipping in your area, please report it confidentially by emailing: [safeandstrongteam@westmorlandandfurness.gov.uk](mailto:safeandstrongteam@westmorlandandfurness.gov.uk)**

## ADVANCED NOTICE - FIRE SAFETY IN COMMUNAL AREAS

New fire safety regulations require that internal communal areas are kept clear and there will be a zero tolerance approach moving forwards in line with government legislation.

Items left in hallways and stairwells - especially combustible items - pose a serious fire hazard and can also obstruct emergency exits.

As the safety of our tenants and leaseholders is our top priority, this is an advanced notice that letters with further details are to be sent to everyone living in properties with communal areas.

Thank you in advance of your cooperation.

# MAINTENANCE MATTERS

## NEWS FROM THE TEAM

### SMOKE ALARM SAVES LIFE – A REAL REMINDER

**We want to remind all tenants about something that's easy to overlook - but could save your life: your smoke alarm.**

Earlier this year, one of our tenants experienced a serious fire in her flat. Thanks to her smoke alarm, she was alerted in time and was able to escape unharmed. Had the smoke alarm not been installed and working properly, the outcome could have been tragic.

All of our properties are fitted with mains-powered smoke alarms with battery back-up. These are tested once a year during the gas safety inspection, but it's tenants' responsibility to regularly check that they're working.

#### What you need to know

- Test your smoke alarm every month – press and hold the test button for 10 seconds – you should hear a loud beep.
- In case of fire, the alarm will sound with short, sharp beeps. Evacuate the property immediately and call 999.
- For false alarms (like burnt toast), press the test button to reset the alarm.
- If you hear a beep every 30 seconds, this means the alarm needs to be replaced. Report it to us straight away so we can install a new one.
- Never remove or tamper with the alarm – doing so puts your safety – and the safety of others – at risk.

Here's a photo from the smoke damaged flat to help show just how serious it was. The smoke alarm melted in the fire but thanks to the alarm the tenant escaped unharmed.

**SMOKE damaged flat: If you're unsure whether your alarm is working properly or if the low battery alert sounds, please contact us immediately on 01229 876578.**

### Smoke and Carbon Monoxide Alarms – Now Interlinked

Smoke alarms are interlinked with carbon monoxide (CO) alarms, meaning if one alarm is triggered, all connected alarms in the property will sound.

It's important to know the difference in alarm sounds:

- Smoke Alarm: short, sharp, continuous beeps
- Carbon Monoxide Alarm: longer beeps with pauses in between

**Please take a moment to familiarise yourself with the sound of each alarm, and always treat any alarm activation seriously.**

### CARBON MONOXIDE ALARMS – IMPORTANT SAFETY NOTICE

**Over the past year or so, the Council has been installing carbon monoxide alarms in all properties with gas boilers or gas fires. This is a crucial safety measure and a legal requirement to help protect residents from the dangers of carbon monoxide.**

While the majority of homes have now been fitted with alarms, there are still a few properties where we have not been able to gain access. If you have not yet had a carbon monoxide alarm installed, please contact Keith Wilson Electrical as soon as possible on 07739 355 909 to arrange an appointment.

Please be aware that the council is legally obligated to ensure these alarms are in place. If necessary, we will apply for a warrant of entry from the Magistrate's Court to gain access and carry out the installation. This applies to any property with a gas-burning appliance, except for gas cookers and hobs.

### CHECK IF YOU CAN MAKE IMPROVEMENTS TO YOUR HOME

**As a landlord, we are responsible for maintaining the structure and fabric of your home. However, as a tenant, you have the right to carry out some types of alterations or home improvements at your own expense, but you must get written permission from us first.**

The type of work that would require permission, includes:

- Works to garden areas, including patios and driveway
- Kitchen or bathroom alterations
- Erection a greenhouse or shed

**Alterations made without our prior consent may be removed by us and you could be recharged for the cost of returning the property back to its original condition.**

For more information or to submit a request to carry out home improvements, please contact our Maintenance Team on 01229 876365 or email [housing@westmorlandandfurness.gov.uk](mailto:housing@westmorlandandfurness.gov.uk)

### IN THE NEXT EDITION... DISREPAIR CLAIMS WARNING: ONE TENANT'S STORY

**In her own words, one tenant shares how she was pressured into taking the Council to court over disrepair only to end up facing thousands of pounds in fines. Don't miss this powerful first-hand account and the vital lessons it holds for others.**

**But in the meantime, be warned, cold callers are in the area again - most recently on Newbarns and Ormsgill - falsely claiming to be surveyors working for the Council. If you're ever unsure, please speak to us before taking any action or signing anything.**

# NEW HANDY PERSON SCHEME

## Help for elderly or vulnerable people who are unable to carry out certain jobs in their home

As your landlord, we are responsible for maintaining the structure and external fabric of your home.

However, there are some small jobs, that we are not responsible for, which could be carried out by the Council's Handy Person Service - a small repairs and assistance service for householders in the Westmorland and Furness area.

Whilst there is no charge for the cost of labour, the occupier will have to provide any necessary items and materials and only people who meet the criteria can apply.

## What work can the handy person do?

Council tenants, who meet the criteria, can request the following specific jobs.

- putting up curtain rails, curtains or blinds
- erecting shelves or affixing coat hooks
- changing light bulbs and fluorescent tubes
- fixing down or trimming loose or hazardous carpets
- moving furniture within the home

## How do I contact the Handy Person?

**If you are eligible and wish to request the Handy Person, please contact the Council's Housing Standards Team:**

- Telephone: 0300 373 3300 (please leave your name and contact number if necessary and the team will call you back)
- Email: [housingstandards@westmorlandandfurness.gov.uk](mailto:housingstandards@westmorlandandfurness.gov.uk)
- Complete online request form: **<https://www.westmorlandandfurness.gov.uk/housing/handy-person-scheme>**

## To be eligible, you must be either:

- Aged 65 and over
- Have a disability or are vulnerable
- About to be or have recently been discharged from hospital
- Considered to be at high risk of falling

## NEWS | UPDATES | COMMUNITY INSIGHTS

### Final Keys Handed Over at Carleton Meadows

**We're excited to share that late last year the final six affordable homes at Carleton Meadows were handed over to the Council for social housing - bringing the total number of affordable homes in Penrith delivered through this development to 81!**

To mark the occasion, our Housing Maintenance Manager, Nigel Clarke, joined Jonny Renwick from Persimmon and Kathryn Dean from Knights – who's been handling the conveyancing for the past six years – as the final keys were handed over.

**Councillor Judith Derbyshire, Cabinet Member for Housing and Community Safety, said:**

*"This milestone marks the successful completion of a project that has provided much-needed affordable homes for local families. Thanks to great teamwork with Persimmon Homes and Knights, we've been able to offer much-needed social housing to our communities."*

A huge thank you to Nigel Clark, our Housing Maintenance Manager, and Joanne Champkins, our Housing Officer, for all their hard work in making sure everything went smoothly with the handover and letting process.

**And most importantly – a very warm welcome to the six new households who have joined the Carleton Meadows community!**

## WELCOME SCOTT

### Your new Street Voice!

**Following a successful voting process, we're thrilled to introduce Scott Jackson as the newly appointed Street Voice for Carlton Meadows!**

Scott will serve as your local representative—someone who's here to listen, support, and guide. While he's not expected to fix every issue himself, Scott can help point you in the right direction by connecting you with the services and teams who can assist. Whether you're unsure who to speak to about a concern or simply want to raise an idea, he's here to help.

Importantly, Scott will also act as a vital link between tenants and the Housing Service. He'll gather your feedback, ideas, and concerns and make sure they're heard at the Tenants' Forum, where your voices help shape decisions and improvements across our service.

Scott, pictured here on the estate with his lovely family: wife Gemma and daughters, Becky and Charlotte, says: "Thank you to everyone who voted for me to become your Street Voice. I hope to be a faithful conduit for your concerns, hopes and ideas and to help create a great relationship between the council and our community!"

# RESULTS OF SATIS

**From 1st April 2023, the Regulator of Social Housing introduced a requirement for all social housing providers who own 1000 or more units of social housing to annually report on a set of measures that tells you how we are performing as a landlord at providing good quality homes and services. These measures are called Tenant Satisfaction Measures (TSMs).**

There are 22 TSMs including:

- **12 Tenant Perception Measures** – these were measured via our Tenant Perception Survey, which took place between December 2024 and March 2025
- **10 General Management Measures** – these are measured through information we hold within our systems and by repairs contractors.

The feedback you gave us in completing the survey helps us to understand what we're doing well and, more importantly, the areas that we can improve.

A big thanks to everyone who completed the survey and congratulations to the four lucky winners of the prize draw who each won £50 of shopping vouchers!

Below is a summary of the results from the survey which covers the period 1 April 2024 to 31 March 2025.

The percentage satisfied relates to respondents that answered either 'very satisfied' or 'fairly satisfied' to the survey questions.

## For more details

To view the full TSM results, a summary of the approach taken to the survey and a copy of the questions used, please visit our website <https://www.barrowbc.gov.uk/residents/council-housing/about-us/performance-and-standards>

**60.9%** satisfied with our approach to complaints handling

**73.9%** satisfied that their homes are well maintained

**67.8%** satisfied communal areas are clean and well maintained

**79.4%** satisfied that their home is safe

**62.8%** satisfied we make a positive contribution to their neighbourhood

**67.8%** satisfied we listen and act upon their views

**62.3%** satisfied with our approach to handling anti-social behaviour

**70.8%** satisfied we keep them informed about things that matter to them

# FACTION SURVEY

## What do the results tell us and what's next?

A big thank you to everyone who took the time to respond to our Tenant Perception Survey. If you didn't get chance to complete it, we will be carrying this out annually, so please complete one next year as your feedback is really important to us.

The results are really positive and some of the findings we are particularly pleased about are:

- There has been an improvement in satisfaction across 9 of the 12 tenant perception measures, which shows the improvements we have made since last year's results have been effective. This is particularly noticeable in your satisfaction with complaint handling, which has been a key focus for us over the last 12 months so this is really positive to see. We will focus on improving satisfaction across the other measures by continuously improving our services.
- Tenants' safety is very important to us, which is why completing 100% of the required safety checks is a priority and we work hard to achieve this. We are pleased that 79% of our customers feel safe in their homes. We will continue to work hard to improve this further, as we want all customers to feel safe in their homes.
- Providing good quality homes is also very important to us so it is pleasing to see an improvement in satisfaction in homes being well maintained, backed up by our decent homes compliance being 100% and the results showing a noticeable improvement in response times for emergency and non-emergency repairs.

As a service, we are always looking to improve tenant satisfaction and engaging with you to get your views is key to us being able to do this. We will be looking to improve the way we engage and involve tenants so that you feel your voices are heard and views acted upon. Keep a look out on

our Facebook page 'Westmorland and Furness Thriving Communities' for further information.

The full TSM results set out our key areas of focus for 2025/26 based on this year's results.

As always, if there are any issues you want to raise with us, please get in touch – contact details for each of our teams are shown on the back page

# BARROW CELEBRATES INTERNATIONAL WOMEN'S DAY

In March, many local residents gathered to celebrate International Women's Day.

There were a number of events being held locally, one of which was a march organised by Women's Community Matters. Everyone gathered in the Town Square in the morning. It was lovely to see so many in good spirits and a bonus the weather was kind.

Before the march began, there were words from Hayley Preston, Project Manager, Women's Community Matters; our Mayor Judith McEwan and local MP Michelle Scroggum.

The parade then made its way along Portland Walk, down Dalton Road and along Abbey Road to the Nan Tait Centre. The pace was set and the march led by the amazing Boom Dang Drummers. Many shoppers and local retail staff were on hand to join in and cheer everyone along.

Once at the Nan Tait Centre, there was music, crafts, hot and cold drinks, food, stalls and much more.

It was such a well organised event, full of positivity and colour and just another reminder of the great staff and invaluable services of Women's Community Matters.

**Women's Community Matters is run by women, for women and young people aged 11 to 19 years.**

We offer a wide range of support groups, courses, activities and appointments in a safe place making a positive difference to the lives of women and young people in Barrow with Love, Care, Compassion and Kindness.

We offer support and signposting around benefits advice, housing issues, domestic or sexual abuse, the police, courts, prison, mental wellbeing, employment, education and social activities.

**We welcome ALL women through our doors.**

If you have any questions or want to speak to a 'real' person – in confidence - please get in touch.

We're based at the Nan Tait Centre on Abbey Road, Barrow and our reception is open:

# FACE-TO-FACE WITH... REBECCA HALTON

## Hello, I'm Rebecca (Bex) Halton and I'm the Senior Manager of Housing Landlord and Homelessness Services.

I'm based at Barrow Town Hall and have worked here for 14 years having previously worked within homelessness and the housing landlord service for Barrow Borough Council.

I started working for the Council as a Housing Management Trainee (graduate opportunity) and have gradually gained experience and knowledge to enable me to now lead the service areas I once worked on the frontline for, which has proven to be invaluable in knowing what the service and customers' needs are.

My role is varied, and no two days are the same! Both of my service areas are very much frontline and dealing with the most vulnerable residents in our communities. My teams provide invaluable advice and support to our residents and ensure that the Council complies with its statutory responsibilities and acts as a responsible landlord in line with regulatory standards. I love my job (even though it can be ridiculously busy!) because I care about people and making a difference to their lives so that everyone has access to opportunities and are able to rebuild their lives when they face difficult times.

I am proud to lead my teams and develop services that put the customer at the heart of everything we do. I look forward to delivering our action plans to strengthen the service we offer to customers and working together with other services to meet the needs of our communities.

Outside of work, I am co-chair of Governors at my children's primary school, which I love!

# HOPELESSLY DEVOTED TO A GOOD CAUSE

**Huge congratulations to Bryan Walker, our Senior Surveyor, whose incredible fundraising efforts over the past year have raised an impressive £1,776 for St. Mary's Hospice.**

Bryan's fundraising activities have been filled with creativity and good humour, helping to engage and bring smiles to everyone involved.

Most recently, Bryan organised a Dress Down Day for colleagues in the Town Hall but of course he didn't just dress down, he dressed up. Channelling the iconic spirit of the film, Grease, Bryan transformed into one of the legendary Pink Ladies, complete with bouffant hairdo and satin jacket. His unforgettable look not only raised funds but also lifted spirits throughout the day.

Always modest, Bryan insists he's just the drum banger for the cause and doesn't want any praise, but we think his energy and commitment deserve a special mention.

So, thank you Bryan and to everyone who supports these events – your generosity is helping St. Mary's continue their vital work in our community.

**THANK  
YOU**

## COUNCIL HOUSING GRASS CUTTING SERVICE

**We are currently in the process of negotiating a new agreement for the grass cutting service we provide tenants with.**

This is taking slightly longer than originally hoped, however we are working hard to resolve this. In the meantime, we ask that, where possible, tenants seek assistance from family members or friends to keep on top of gardens until the new contractor can be on site.

If this is not possible and you are worried about your health and safety then please contact us and we will do our best to assist.

We thank you and appreciate your patience and understanding during this transitional period.

Check out our Facebook page for any updates.

## HAVE YOUR SAY ON WASTE & RECYCLING OPTIONS

**The Council wants your views on options for future waste and recycling services in Westmorland and Furness, such as:**

- Size of containers
- Wheelie bins
- How often your waste and recycling would be collected
- Green waste charges

Your views will be used to help finalise the design of the new-look services, with the first changes being rolled out before the end of the year.

**For more information and to complete the survey, scan the QR code or visit [www.westmorlandandfurness.gov.uk/news](http://www.westmorlandandfurness.gov.uk/news) and search 'waste', but be quick, the survey closes on Friday, 11 July.**

**Paper copies of the survey are also available in Barrow Town Hall reception area.**

## RESULTS OF CHRISTMAS COLOURING COMPETITION

**Huge thanks to everyone who entered the Christmas colouring competition.**

Your entries were just brilliant which made judging extremely difficult, but eventually we decided the top two places should go to Marshall Price in the 7s years and under category and Ali Al Obeidat in the 8-11 years category.

Congratulations and well done to them both! And well done to all our merit award winners, pictured here with their certificates.

### Like father, like son!

We were thrilled to learn that Layton's dad entered the same competition over 20 years ago when he was Layton's age. It's wonderful to see the tradition continuing across generations!
