Dear Helen

Barrow Borough Council – EIP: Revised Heritage Impact Assessments

Historic England is the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the Department for Culture, Media and Sport (DCMS). We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

We welcome the amendment to the Heritage Impact Assessments which now includes employment and opportunity sites. We do not wish to make any further comments.

If you have any queries about this matter or would like to discuss anything further, please do not hesitate to contact me.

Yours sincerely,

E. Hrycan
