Dear Consultee,

**Barrow Borough Local Plan – Consultation September 2018**

In February 2018 the Council submitted the Barrow Borough Local Plan to the Planning Inspectorate for Examination. The Examination Hearing Sessions took place in June 2018 where the soundness of the Plan was considered. During the hearing sessions a number of main modifications were proposed in order to make the Plan 'sound'.

The Council now invites comments on these main modifications, which can be viewed in the Schedule document here <https://www.barrowbc.gov.uk/residents/planning/planning-policy/examination-of-local-plan/main-modifications-consultation-september-2018/> along with appendices and other supporting evidence.

Any comments made will be considered by the Inspector before she makes her final recommendations and will be published online in the Examination Library. Please note that comments can **only** be accepted if they relate to the main modifications to the Plan (referenced MAM1 to MAM68) and you should quote the reference of the change which you are commenting on. Comments received previously remain valid and do not need to be submitted again.
